3. EYFS

The school recognises the importance of pupils' physical development as one of the prime areas of learning and development. Staff will ensure that educational programmes in the early years develop pupils' all-round development, and enables them to pursue happy, healthy and active lives.

In line with the Early Learning Goals (ELGs) for physical development set out in the DfE's 'Statutory framework for the early years foundation stage', teaching staff will organise a range of activities and experiences to promote and develop pupils' gross and fine motor skills, including:

- Demonstrating strength, balance and coordination when playing.
- Negotiating space and obstacles safely, with consideration for themselves and others.
- Moving energetically, such as running, jumping, dancing, hopping, skipping and climbing.

All pupils within the EYFS will be given the opportunity to undertake activities that provide appropriate physical challenge, both indoors and outdoors, whilst using a range of resources and equipment.

EYFS classes will have two PE lessons per week.

4. Curriculum

During KS1, pupils will be taught to:

- Master basic movements, including running, jumping, throwing and catching, whilst developing their agility, balance and coordination, beginning to apply applying these in a range of activities.
- Participate in team games, developing simple tactics for attacking and defending.
- Perform dances using simple movement patterns.

During KS2, pupils will be taught to:

- Use running, jumping, throwing and catching in isolation and in combination.
- Play competitive games, modified where appropriate, and apply basic principles suitable for attacking and defending, for example, through netball, football, hockey and tennis.
- Develop flexibility, strength, technique, control and balance through activities such as gymnastics and athletics.
- Perform dances using a range of movement patterns.
- Participate in outdoor and adventurous activities, both individually and within a team.
- Compare their performances with their previous ones and demonstrate improvement to achieve their personal best.

In relation to swimming, pupils within KS1 and KS2, will be taught to:

- Swim competently, confidently and proficiently over a distance of at least 25 metres.
- Use a range of strokes effectively, such as front crawl, backstroke and breaststroke.
- Perform safe self-rescue in different water-based situations.

5. Teaching and learning

All lessons will be planned and taught in line with the scheme of work, as developed by the PE coordinator, ensuring that potential for pupils' progression is planned into the scheme of work.

Lessons and activities will build upon pupils' prior learning, developing their skills, knowledge and understanding within each activity area.

The school creates long-term, medium-term and short-term plans for delivery of the PE curriculum – these are as follows:

- Long-term: Includes the PE topics studied in each term during the key stage
- Medium-term: Includes the details of work studied each month

- Short-term: Includes the details of work studied during each lesson

The PE coordinator is responsible for reviewing and updating long-term and medium-term plans.

Teachers are responsible for reviewing and updating short-term plans and building on the medium-term plans, taking into account pupils' needs and identifying the methods through which topics could be taught.

All relevant staff members are briefed on the school's planning procedures as part of their staff training.

Where appropriate, a sports coach will lead the lesson or teach alongside the teacher.

Pupils will be taught through a mixture of whole-class, group and individual activities, ensuring that tasks are suitable for pupils' abilities. Pupils will be encouraged to evaluate their own performance, as well as the performance of others. Pupils will be given the opportunity to both collaborate and compete with each other during lessons.

The PE coordinator will act as the first point of contact for staff members planning PE lessons or sporting events.

A variety of resources, including indoor and outdoor sporting equipment, will be used to provide a range of challenge for pupils. Staff members involved in the teaching of PE will have access to PE resources, including sporting equipment, at all times.

Where a pupil is unable to participate in a lesson, the teacher will set them another related task, such as being score counter or equipment manager.

6. Timetabling at least two hours of curriculum PE

Schools are expected to deliver a minimum of two hours PE in the curriculum during the school week.

PE staff will be aspirational for the subject's necessary inclusion in the overall school curriculum. PE staff will devise and deliver positive messaging about the benefits and impact of PE throughout the school.

Senior leaders will ensure that the expected two hours per school week are securely installed within the wider school curriculum. Leaders may achieve this by reorganising lesson lengths across the whole school to accommodate for the necessary two hours of PE.

Senior leaders and other PE staff will conduct regular audits of school facilities and determine what physical activities are deliverable in the spaces available. Senior leaders will also strengthen relationships with such organisations as sports clubs and LAs to improve access to sports facilities.

The school will use its PE expertise to raise whole-school standards in delivering high quality PE.

7. Assessment and reporting

Pupils will be assessed through observations made during lessons.

Teachers will record the progress of pupils against the learning objectives for the lesson.

Throughout the year, teachers will plan on-going assessment opportunities in order to gauge whether pupils have achieved the key learning objectives.

Pupils will be assessed as working towards, expected or greater depth. Bi-annual assessments of each pupil will be used to inform parents of their child's effort and attainment through reports which are sent home.

Verbal reports will be provided at parents' evenings during the autumn and spring terms.

The progress of pupils with SEND will be monitored by the SENCO.

A record will be kept of when a pupil is unable to participate in a lesson, along with any evidence supplied. If this becomes a regular occurrence, a meeting will be set up between the teacher, the pupil and their parents.

8. Cross-curricular links

Wherever possible, the PE curriculum will provide opportunities to establish links with other curriculum areas.

English/ Oracy

- Pupils are encouraged to describe what they have done and to discuss how they might improve.

Mathematics

- Pupils further develop their counting skills by keeping score during team games.
- Pupils are encouraged to measure and record what they do accurately, for instance, how far they can throw a ball.

PSHE

- The benefits of exercise and healthy eating are explained to pupils.
- Pupils are encouraged to make informed choices about their lifestyle.
- The opportunity to act as team leader or part of a team is provided.
- Pupils' self-esteem is promoted.

Spiritual, moral, social and cultural development

- Pupils learn to express their feelings in a healthy way.
- Team and group activities develop pupils' social skills and help them to cooperate with other people outside of their friendship group.
- Pupils are encouraged to respect other pupils' levels of ability.

9. Extra-curricular activities

The school provides pupils with the opportunity to participate in a range of extra-curricular activities in order to further develop their skills.

Extra-curricular opportunities are provided to pupils with the aim of allowing them to put into practice the skills they have developed in lessons, as well as foster a sense of cooperation among pupils, whilst introducing a competitive element to team games.

There are a variety of PE-related extra-curricular activities available for pupils to participate in outside of school hours.

External sports coaches will lead activities and clubs, where appropriate.

At the beginning of each term, parents will be made aware of the extra-curricular activities on offer at the school via Reach More Parents/ The Quinton Quill.

The school participates in regular sporting events against other schools –pupils and parents will be made aware of these fixtures with due notice. Participation and success of extra-curricular events, such as sporting competitions, will be celebrated during assemblies, through Reach More Parents and on The Quinton Quill.

All teaching staff will actively encourage pupils to be physically active outside of school.

10. PE kit and changing rooms

The school will choose a PE kit which is practical, comfortable, appropriate to the activity involved and affordable.

During PE lessons, pupils are expected to wear the following:

- Black shorts/ leggings/ joggers
- Purple PE t-shirt or purple/ yellow polo shirt
- Trainers

During cold weather, pupils will be allowed to wear their school jumpers, or coats, as appropriate.

During swimming lessons, pupils are expected to wear the following:

- Appropriate swimwear (no bikinis)
- Swimming cap for pupils with long hair
- Goggles (optional)

Staff members will lead by example by wearing appropriate clothing when teaching PE, such as trainers and joggers.

All potentially dangerous jewellery, such as earrings, will be removed before PE lessons. Jewellery which cannot be removed will be taped over. In relation to swimming lessons, if a child's jewellery cannot be removed, they will not be able to participate in the lesson.

All long hair is tied back for PE lessons.

Activities such as gymnastics and dance will be undertaken in bare feet.

The school will stock spare hair bands and PE kits for pupils who forget theirs. In the event that a pupil repeatedly forgets their PE kit, a letter will be sent home.

Children will come to school in PE kit on their PE days, therefore avoiding the need to change in school.

When attending swimming lessons, if there is a need for a staff member to enter the changing rooms while pupils are changing, the staff member will alert pupils to this and give pupils the opportunity to cover up if they want to. Where possible, only staff members of the same sex as the pupils will be allowed in the changing rooms.

All staff will be aware of any intimate care issues for individual pupils, and a plan will be in place and agreed with parents.

11. Behaviour

Pupils will act in accordance with the school rules at all times.

Pupils will be made aware of the expected behaviour for handling PE equipment and resources.

Pupils will be made aware of how misbehaving during PE lessons and using equipment in the incorrect manner can be dangerous.

During PE lessons, pupils are expected to act in the same manner as any other lesson, showing respect to staff members and other pupils. Any pupils behaving in an inappropriate manner will be subject to the measures outlined in the Behaviour Management Policy.

In the event of severe behaviour, such as purposely hurting another pupil, the offending pupil will be sent to the headteacher, and may be subject to the school's Suspension and Exclusion Policy. The pupil's parents will be notified of the incident at the end of the school day.

12. Health and safety

Pupils will be taught about physical-activity-related health and safety, as well as sport-specific safety, as part of the PE curriculum. Pupils are encouraged to consider their own safety, as well as the safety of others, at all times.

First aid boxes will always be accessible during PE lessons.

All staff members involved in the teaching of PE will undergo basic health and safety training as part of their induction. The PE coordinator is responsible for reporting any concerns to the school's health and safety officer.

Where pupils will be attending an off-site sporting or PE-related event, the PE coordinator is responsible for completing a risk assessment for the event.

The PE coordinator will check the conditions and appropriateness of PE resources on a termly basis, restocking equipment as required.

Resources and equipment will be checked by staff members before use, with any faults or concerns reported to the PE coordinator as soon as possible. All PE equipment and resources will be safely stored, within a secure storage area, within the PE cupboard. Damage to PE equipment will be reported to the PE coordinator as soon as possible and, where the damage could cause injury, the equipment is immediately taken out of use.

Pupils will not have access to PE resources and sporting equipment unless appropriately supervised. Pupils will be taught how to handle PE equipment and resources safely. Pupils will help staff members to move and set up PE equipment.

Swimming lessons will always be taught by a specialist swimming teacher. In relation to swimming lessons, or a lesson where bare feet are required, if a pupil has a verruca or wart, they must notify the staff member leading the lesson of this prior to the start of the lesson.

13. Reporting accidents

All accidents and near-misses will be recorded.

Staff members are responsible for identifying the cause of the accident and taking any necessary action in order to minimise the risk of an accident reoccurring.

Treatment to injuries will only be administered by staff members who are first aid trained. Where required, further medical attention will be sought from the local doctors or hospital.

In the event that a pupil has an accident causing a minor injury, such as a bruise or scrape, the school will notify the pupil's parents of the incident at the end of the school day. In the event that a pupil has an accident causing potentially serious or major injury, such as a broken bone or concussion, the school will notify the pupil's parents immediately.

14. Equal opportunities

Teaching staff will work closely with the PE coordinator to ensure that planned activities for lessons are accessible to all pupils, including pupils with SEND. All lessons will meet the specific needs of individuals, as well as of groups of pupils, including those with SEND and those who have English as an additional language.

Staff, including TAs and unqualified teaching staff, will be trained and supported to implement specific teaching and learning strategies for pupils with SEND and additional needs.

Teaching staff will liaise with the SENCO, where necessary, in order to meet the needs of pupils.

The school will continue to ensure that equal sporting opportunities are offered to pupils of all genders. While sex separation may be employed in certain circumstances, e.g. for competitive sports teams, the school will make a concerted effort to offer every sport to all pupils regardless of gender wherever possible. Where this is not feasible, e.g. due to differences in demand for certain sports along gendered lines, the school will endeavour to offer comparable sports which use similar tactics and objectives.

Pupils will not be grouped together based on gender, race or disability.

The school will utilise pupil voice to understand the needs of inactive pupils. The school will also identify how girls and boys perceive PE within school.

Schools will provide inactive/underrepresented pupils with more informal physical activities to remove those barriers of inclusion and ensure equality of access for all pupils.

15. Monitoring and review

This policy will be reviewed on an annual basis by the headteacher and PE coordinator, with any changes made to the policy being communicated to all teaching staff and the governing board.

The curriculum plan will be monitored and evaluated by the PE coordinator, including the planning, assessment and reporting arrangements in place.

The spending and impact of the PE and sport premium is monitored by the governing board.
