## Inclusion and Diversity

Kapow Primary's Geography scheme has been designed to represent a range of cultures and races.

- Where appropriate, colonial choices and their impact on geographical issues are explored.
- The scheme's visual representation is inclusive and representative of a variety of people and places, challenging stereotypes or historical ideologies.
- Within sensitive units, questions have been included to support children's lived experiences and backgrounds.
- Resources and case studies are carefully considered to encourage the children to think about their role in society and to respect the many ways in which people's lives have been influenced.

The scheme supports children in appreciating the complexity of people's lives, the diversity of societies and the relationships between different groups.
