

Please practise this term's 'Key Instant Recall Facts' regularly to build your child's confidence in this area.

	Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
Year 2	I know all number bonds to 10.	I know my number bonds to 20.	I know all addition and subtraction facts for all numbers between 0 and 20.	I know the multiplication and division facts for the 2 times table.	I know the multiplication and division facts for the 10 times table.	I know the multiplication and division facts for the 5 times table.

## My key facts to learn this half term are:

$0 + 20 = 20$

$1 + 19 = 20$

$2 + 18 = 20$

$3 + 17 = 20$

$4 + 16 = 20$

$5 + 15 = 20$

$6 + 14 = 20$

$7 + 13 = 20$

$8 + 12 = 20$

$9 + 11 = 20$

$10 + 10 = 20$

$11 + 9 = 20$

$12 + 8 = 20$

$13 + 7 = 20$

$14 + 6 = 20$

$15 + 5 = 20$

$16 + 4 = 20$

$17 + 3 = 20$

$18 + 2 = 20$

$19 + 1 = 20$

$20 + 0 = 20$

KIRFs will be tested in the last week of each half term.

# Information for parents

## What are Key Instant Recall Facts (KIRFs)?

- ▶ KIRFs are number facts that children need to know securely. They need to be able to recall them instantly to help them move forward in their maths learning. These key facts are important for the children to know when they are calculating in all areas of maths.

## How do we practise them?

- ▶ First, help your child to understand the key facts.
- ▶ Then they can play games or you can ask them the questions for them to answer instantly.

## When do we practise them?

- ▶ We recommend that you practise these key facts with your child little and often and make it fun!
- ▶ Some ideas...when you are walking to school, in the car, playing games outside.

## Useful online resources:

- ▶ 'Hit the button' game, [www.topmarks.co.uk](http://www.topmarks.co.uk)
