

Belong, grow, love to learn,
cherish memories, shine together!

Inclusion and Diversity

- ✓ **Lessons are carefully scaffolded using the White Rose Maths CPA approach, ensuring all pupils, including SEND learners, can access concepts at an appropriate level**
- ✓ **Manipulatives, visual representations, and structured models support pupils in understanding abstract ideas in inclusive, accessible ways**
- ✓ **Adaptive teaching is embedded through reasoning tasks and small-group teaching, allowing all pupils to be appropriately challenged and supported**
- ✓ **A range of strategies (e.g. bar modelling, fluency practice, Mastering Number) ensures pupils with different starting points can succeed and make progress**
- ✓ **Collaborative learning encourages pupils to share methods and learn from different approaches, valuing diverse ways of thinking**
- ✓ **Regular assessment and feedback help identify barriers early, ensuring timely support so all pupils can fully participate and achieve**
