

Use mud and natural materials to create your own Stone Age Painting

Create a 3D Stone Age structure. Bring it into school or take a picture to share if it's too big!

Would you rather be a hunter or gatherer? Research both roles and draw a picture to share explaining why.

Imagine you've woken up in The Stone Age – write a short story about what would happen!

Design your own Stone Age home. Think about which era you would live in and what resources/materials would be available to you.

Using clay, natural materials or anything else you can source, make your own Stone Age Necklace.

Year 3 – Autumn – The Stone Age Home Learning Challenges!

Pick and choose some tasks to complete at home, bring in to share with the class! These are not compulsory but optional extras for anyone who would like to complete home learning based on our class topic. Feel free to share anything else you've done at home related to our topic!

Write an acrostic poem about The Stone Age

Research information about Stone Henge.
Create a poster advertising why you should visit!

Take a trip! Visit Stone Henge, or The Rollright Stones

Have a go at making your own Stone Age bread. There are recipes online or ask in school for a copy.

Spot the wildlife – Spend some time sitting in a window or outside and create a list of all the wildlife you see.

Research extinct animals, that would have been alive in The Stone Age. Choose one to research and create an information leaflet about it. Think about;
Habitat
Diet
Features
Why did it become extinct?
Was it a danger to people?
How it would have been used
